ADIC/GRAU STORAGE SYSTEMS

Declaration of Conformity in accordance with EC Machine Directive 89/392 EEC and the EC Directive 89/336 EEC (Electromagnetic Compatibility)

We hereby declare that the machine described in the following complies with the fundamental requirements on safety and health stipulated in the EC Machine Directive (89/392).

This product also satisfies the fundamental requirements on limiting and measuring values for radio interference for equipment used in information technology.

AML Product name: Type: 1996 Year of manufacture:

Conformity with following Electromagnetic compatibility directives:

(89/336)

Electrical equipment (73/23) Machine directive (89/392)

ITI/R132EMA1.ABS Harmonised standards applied:

TCF No: D-1.0.0-90

National standards applied: **VDE 0878**

VDE 0805
